

January 22, 1987

Dear Russell C. Strong:

I attended the reunion which was held in Dayton last September not by notification of the group but by hearing about it through a member of the group I met in Arkansas. (Herman Cochran).

I had given my name and address to George S. Horner requesting to be put on the mailing list but evidently it must have been overlooked, as I have not received the October 1986 issue of the paper nor the January 1987 issue.

I was in the 423rd Squadron, 306th Bomb Group from May 1942 through October 9, 1945, and would appreciate it very much to be put on the mailing list. Thank you and enclosed is a small donation.
