Subject: crew picture

dear Russ, I finally found my crew picture; we were a B-24 crew- Roy Hoffmann crew. Do you still want crew pictures? If so I will make a copy and send it to you. Will not attend reunion but will be looking for the Echoes story.

William [Bill] Johnson, 306th BG [H], 367th Sqdn - Gombardier

As a sidelight only Izzy Baron and myself are still living. My wife Kay died a year ago. Am also dealing with a Oregon newspaper which had a story of our crew making an emergency crash landing in a wheat field in eastern Oregon during RTU training.

Sincerely, Bill J wj306@msn.com
